

Ms. GABBARD. Mr. Speaker, the Department of Homeland Security has confirmed that 21 State electoral systems were targeted in the 2016 election, revealing vulnerabilities and jeopardizing the integrity of our elections and our democracy as people lose confidence that their vote matters and that it will actually and accurately be counted.

In 2016, DEF CON, the world's largest hacking conference, revealed startling vulnerabilities in our election's infrastructure. We must take action now to safeguard our electoral infrastructure and ensure that each and every American vote is counted accurately.

I am introducing the Securing America's Elections Act, which will not only provide the American people with a voter-verified, reliable, and independent paper record of their votes that can be implemented before the 2018 elections but will also address the effectiveness and security of our electronic voting software.

We must act now to secure our elections and renew our citizens' faith in the integrity of those elections.

#### TRIBUTE TO MARIA DELITHA GREEN

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Mr. Speaker, as Black History Month draws to a close, I wanted to recognize one of my constituents who left her own mark on history.

Just 2 days ago, on February 25, 2018, Beaver County lost one of its treasures. A Mississippi native and alumni of Viterbo University in La Crosse, Wisconsin, Maria Delitha Green, fondly known as Dee, received a registered nursing license from the St. Francis School of Nursing in 1954. In 1955, she moved to Beaver Falls, Pennsylvania, where she was hired on at Providence Hospital as the first African-American registered nurse in Beaver County. Eventually, she was promoted to head nurse.

Dee faced many obstacles as an African-American nurse in the 1950s, such as the reality of segregated dormitory housing. However, she did not let those barriers discourage her, believing that people would accept her for who she was.

A trailblazer and diligent worker, Dee loved her job and continued her career as a nurse for 36 years, until she retired in 1990. She was a blessing to those with whom she came in contact and remained a caregiver until her health declined at the end of 2017. We are grateful for her decades of exemplary service and the outstanding model that she was.

May God grant her eternal rest, and may her family be consoled with many blessed memories.

#### GUN VIOLENCE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, the question is: When? In 2017, there were 11,600 deaths linked to gun violence. In 2017, nearly four 911 attacks. There were more than 15,000 killed by gun violence in 2016. There were 383 mass shootings.

The United States ranks number one in the world in terms of firearms per capita. The problem is so epidemic that gun violence is now the third leading cause of death of our children, which includes those dear souls who died in Florida just a couple of weeks ago. We heard those children's voices. We have heard many voices.

So let me explain to the American people: no one is grabbing the Second Amendment. I honor the amendments of this Nation. For your information, in order to change an amendment, you need a two-thirds vote of both the House and the Senate and three-quarters of the States. The last time we changed an amendment was 1933, where we repealed the prohibition amendment.

This is a cause of the heart and the mind. It is not a Second Amendment debate. It is a debate on sensible gun legislation to save lives.

Ban bump stocks.

Extend the waiting period.

Ensure that multiple munitions are banned and automatic weapons are banned.

When is there going to be, Mr. Speaker, the coming together of a bipartisan effort to save the lives of our children? Enough is enough. We need to answer the call. Our children are dying.

#### HONORING REVEREND BILLY GRAHAM

(Mr. WESTERMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WESTERMAN. Mr. Speaker, I rise today to honor the life and ministry of Billy Graham. Billy Graham shared a simple message of the good news of salvation through Jesus. He never tired nor wavered from the story of how, as humans, we all have a relationship problem with God because of sin in our lives. But God loves us so much that He doesn't give up on us. In fact, God has offered us an escape from the punishment due for our sin through the free gift of salvation, a gift that we can receive but we cannot earn because Jesus paid the price for our sins when He gave his life on the cross. Jesus overcame death; and through faith in Christ, we can, too.

Billy Graham shared this message out of a deep love for God and his fellow man. Not for fame. Not for fortune.

I thank God for the ministry of Billy Graham and the example he lived. May God comfort his family and a grateful

nation as we mourn his loss, and may we never tire of sharing the good news of Christ.

#### HOPE IN THE WAKE OF SENSELESS TRAGEDY

(Mr. GOMEZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GOMEZ. Mr. Speaker, I want to talk about something that gives me hope in the wake of the senseless tragedies and attacks on our communities: the power of students to change the course of history.

Fifty years ago this week, 15,000 students in East Los Angeles rose up in solidarity to demand culturally relevant education, better facilities, and diverse teachers. I rise in honor of those students from Wilson, Lincoln, Roosevelt, and Belmont High Schools, who started a movement that would be known as the East Los Angeles walk-outs.

I also rise in honor of current student activists everywhere. Student activism has always been a powerful response to social injustice, that when those in power fail to listen or to act in the interests of all people, it is time for a new generation of Americans to speak up, walk out, and organize.

Whether you were in East Los Angeles in 1968 or in Parkland, Florida, in 2018, you will be heard, you will be remembered, and you will become the change that we all seek.

#### MICHAEL KENNY NAMED 2018 GRAND MARSHAL OF SAVANNAH'S ST. PATRICK'S DAY PARADE

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Mr. Michael Kenny for being named the 2018 grand marshal of the Savannah St. Patrick's Day Parade, the second largest St. Patrick's Day Parade in the United States. It is important for everyone in Savannah, but most specifically, it is important for the Savannah Irish.

Savannah has a historically large Irish community, integral to the fabric of our city, and the St. Patrick's Day Parade is a direct result of this impact. The first public observance of the holiday began in 1824, and now the parade has around 280 bands, families, soldiers, and floats, all marching through the streets of Savannah.

A family affair, the Kenny family owns a successful local roofing company and has worked with the parade for over 40 years. His father, Nicolas Kenny, Jr., was the grand marshal in 1978.

In past years, the committee has chosen between many candidates for grand
